Translator's Note:

This is translated from a Chinese Scan
that mangahime gave out in the forum.

Problem is,
I CAN'T READ CHINESE.

I can only speak/listen to Chinese. So I copied the characters as I saw them into Google Translate,had Google Translate read them to me, and translated them like that.

As you can imagine, it's not the most effective or accurate way, given that if I can't see the strokes clearly, I can't translate it. Some stuff I outright guessed based on one or two characters. So if you can translate the untranslated stuff/ correct me on one of mine, PLEASE feel free, or email me at

Something about the next section being a crossover from another of the mangaka's works. "No Color"

下一頁開始是雙主題漫畫，
另一對主角則出自
我為雜誌的十週年企劃所畫的
「純淨無色 - No Color」。

立志成為攝影師的
色色人×努力用功的乖乖牌

這一對也請多多指教。
